VISTA Exterior Solar Screen

Vista open roll system is exclusively manufactured and sold by Corradi USA. The base model is manual gear operated with detachable click-on crank, no side tracks, and a heavy duty bottom rail. Upgrade track options include the ShyZip® Spring fabric retention system or stainless steel cable guides for both manual or motorized. The manual option includes a detachable click-on crank with an inconspicuous foldable handle. The detachable crank can be used on a manual shade up to the manual maximum length of 16' wide. Motor configurations include a wired switch controlled motor or wireless remote controlled motor. Corradi offers the latest motors from Somfy® and other name brands. Any shade more than 16' wide must be motorized. Also, the wireless options can be used with a sun & wind sensor to automatically operate under specific conditions. The Vista is delivered ready to install with standard easy-to-use Vista brackets that can be used for either wall or ceiling mount.
